

# Grooming Dogs Price List 2026

## **Puppy Trim (Available to puppies under six months old)**

It is important that puppies are quietly exposed to grooming and grooming salons as soon as they have had their full vaccinations, so that they can become calm and confident when they start requiring a full groom. Short sessions, no longer than an hour, are the ideal way to begin. Puppy trims involve a bath, dry, brush out, hygiene clip (if required), claw trim, face and feet lightly trimmed. **Prices; see table below.**

## **Bath and Tidy**

Is your dog between full grooms, but requires a tidy? Do you struggle to find the time to groom your longer coated dog regularly enough and require a mid-groom tidy? Or perhaps yours is a mud monster and you would like a day off from the post walking bother! A bath and tidy is ideal; consisting of a bath, dry, brush out, hygiene clip (if required), claws trimmed and feet tidy. **Prices; see table below.**

## **Full Groom**

For the shorter coated breeds, a full groom consists of a bath, dry, removing dead undercoat and/or dead topcoat, claws trimmed and feet tidy. For all those breeds that grow a longer coat, that may or may not require body, leg, tail and head shaping, a full groom includes bath, dry, brush out, body, leg, tail and head styling, hygiene clip (if required), claws trimmed and feet tidy. **Prices; see table below.**

## **De-Matting**

For those whose matting has become too severe to brush out, a full clip off is necessary to prevent the pain and discomfort that would result in attempting to brush out those mats. Includes a bath, dry, clip off, hygiene clip (if necessary), claws trimmed and feet tidy. **Price by consultation**

## **Claws Trimmed**

All grooms include the trimming of claws, however, if you would like to only have your dog's claws trimmed, we can do that too. **Price £10**

## Grooming Dogs Price List 2026

Groom prices listed below are based on a breed standard groom, as well as for an average sized dog for the breed specified by the owner. Should additional work be required, such as clipping off Spaniels legs, a clip off due to heavy matting, or the dog is very large for its breed, behavioural problems, additional costs will be included in the price of the groom.
